

## **Building access**

- Pick-up and drop-off occur outside. See maps for details.
- Parents may be allowed to enter for special circumstances. No siblings over the age of two will be allowed in children's area unless they are enrolled in CAV Preschool.

## **Daily health checks**

- Individuals should stay home if they exhibit signs of COVID-19 and seek testing, if possible.
- If an individual is not feeling well once at school, their temperature will be taken. Individuals registering 100 F or higher will be isolated from other students until parent arrives to pick up student. Student must be symptom free for 72 hours before returning. If the fever persists, individuals are encouraged to contact their medical provider.
- Parents must follow the center's health policy, including keeping children home if they are experiencing illness symptoms or have received medicine for sickness in the last 24 hours.

## **If COVID-19 is confirmed in a child or staff member**

- The classroom in which individual attended will be closed for five calendar days. A packet of materials will be provided to students.
- The program director will notify the Brevard County Health Department at 321-454-7111 and follow their guidance regarding next steps.

## **Facility cleaning and sanitization**

- All surfaces will be thoroughly wiped throughout the day and after each use. Special attention will be paid to doorknobs, light switches, counter tops, and restrooms.
- Tables will be cleaned and disinfected before and after each use.
- The entire classroom and all contents will be professionally cleaned each day using a cordless electrostatic disinfectant (no harmful chemicals).

## **Communicating with families**

- We will use electronic communications as much as possible.
- We promise to stay in regular communication with all parents regarding any updates or policy changes.
